

SAFCO

RECOGNITION: RESPONSE: RESPECT

SAFCO Extrication Glove

The first glove that was designed specifically for Vehicle extrication. Fire fighters, EMT's, track safety workers, and other first responders recognise the need for a puncture and abrasion resistant glove with great dexterity. This glove fills those needs but fits like a second skin.

- Ultimate dexterity allow user to manipulate all rescue tool connectors
 - Anatomically designed Kevlar cut and puncture resistant palm pads
 - Kevlar reinforcement at index finger/thumb joint
 - Kevlar cut and abrasion resistant finger backs and knuckles
 - Tougher than leather, genuine Clarino palm and finger material
 - Clarino will not shrink, harden or get slippery when wet
 - Enough fingertip dexterity to palpate a pulse
 - Reflective knuckle area
 - Elastic cuff keeps out cut glass, etc
 - Five sizes and stretch Cordura back insures a great fit
 - Machine washable
 - Assorted Sizes
- £19.95 per pair.**
