

DECONTAMINATION MODESTY KITS.

The Decontamination Modesty Kits have been approved by HM Government for use prior to and after decontamination following a CBR or HAZMAT incident. They are available in a range of sizes from Infant to Large Adult, for disrobing and re-robing.

The disrobe kits are designed to provide casualties with a reasonable amount of dignity while preparing for decontamination and also offer protection from the elements. The re-robe kits provide the same level of protection once the casualty has been through the decontamination process.

Typical Contents of Disrobing Kit:

Typical Re-robing Kit:

Large Adult	Large Adult
Nitrile Gloves	Piccola Respirator
Piccola Respirator	Pair "Surf" Shoes Size 11
Pair "Surf" Shoes Size 11	Pair Socks
